RECONE FORM

1. Print this form
2. Fill out the information
3. Enclose with your speaker

• If you are sending multiple speakers,
Please include a separate form for each speaker

• If you cannot print the form, just fill out the information on a sheet of paper
and enclose with your speaker

Name

Address (line 1)

Address (line 2, if needed)

City

State

Zip Code

Phone Number

Email (needed for confirmation)

Name of Speaker

Size of Speaker

- 6 8 10 12 15

Color of Speaker

Numbers/markings on speaker frame or magnet

Doping level:

If the speaker you are sending has the surround doped, do you want it doped when it is reconed? Doping reduces the character and texture of a speaker and increases the break in time on most speakers, but reduces the chances of cone cry and ghost notes. Doping also extends the life of a speaker.

- No Doping
 Light Doping
 Moderate Doping
 Heavy Doping
 Same Doping as Original

Additional Repairs

If the speaker needs repair beyond the recone (repairing loose magnet or shifted pole) there is a \$25 additional fee.

- I hereby authorize Weber Speakers to proceed with magnet or pole repair if needed
 I do not authorize Weber Speakers to proceed. Please contact me if my speaker needs this

Payment Method
